

Art.-Nr. 6008

### 4-Quadrat

Autor: Markus Götz

Dieses kleine Puzzle besteht aus vier Teilen, wobei jedes Teil zwei Bohrungen und einen Pin besitzt. Die Positionen der Bohrungen und der Pins sind bei allen vier Puzzleteilen verschieden. Ziel ist es, aus den vier Teilen jeweils eine der unten angegebenen Formen zu legen.

### 4-Square

Author: Markus Götz

This little puzzle consists of four pieces whereby each one has two holes and one pin. The position of the holes and also of the pins is different in each of the pieces. The aim is to put the pieces together respectively, in the shapes shown below.

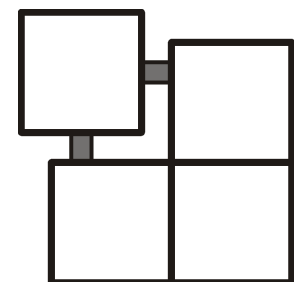

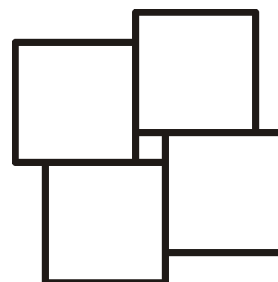

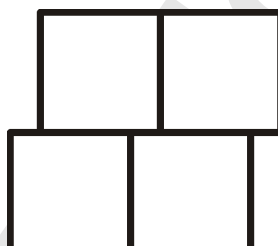

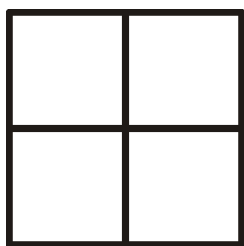

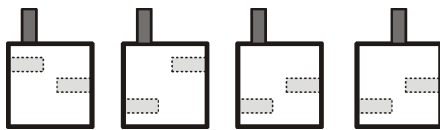

### 4-carré

Auteur Markus Götz

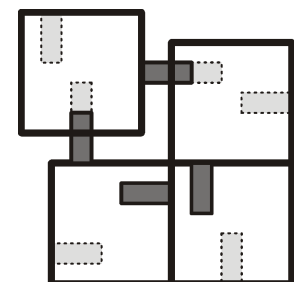

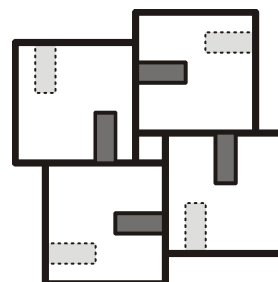

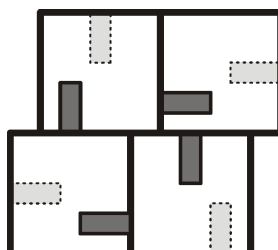

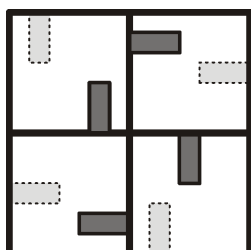

Ce petit puzzle se compose de 4 pièces percées de 2 trous et possédant un embout. La position des trous et des embouts est différente selon les pièces. Le but du jeu est de former à l'aide des 4 pièces l'une des figures données ci-dessous.
