125er Würfel

Dieser Würfel besteht aus 25 formgleichen Bauteilen. Ziel des Spiels ist es, die Bauteile so in den Ständer zu legen, dass ein Würfel im Schachbrettmuster entsteht.

125 Cube

This cube consists of 25 pieces of the same shape. The aim is to lay the pieces in the frame so that a check patterned cube is constructed.

Le 125eme cube

Ce cube se compose de 25 pièces de construction de même forme. Le but du jeu est de placer les pièces dans le support de manière à former un cube aux couleurs d'un d'échiquier.
